Implementation Plan for 2nd Edition of the MIS accreditation standards

- The standards along with the Guidebook has been released on **14th December, 2019**.

- The Effective Date of Implementation of the standards for MIS Centres would be as below:

  a. For MIS Centres already accredited, by **1st April, 2020** they must be in full compliance with **Second edition** and same will verified during next on site assessment (which can be either surveillance or renewal audit).

  b. For MIS Centres seeking accreditation for the first time, after **1st April, 2020** all assessments and accreditation decisions will be based on **Second edition**.

  c. Any assessment and Accreditation decision before **01 April, 2020** will be based on **first edition**. However, such centres would require complying with the **second edition** in next six months from the date of accreditation. Also, no fresh/renewal application with SAT according to first edition will be accepted by NABH from **01 April, 2020 onwards**.

- The whole process of transition will be completed by **30th November, 2020**.
