August 14, 2023

NOTIFICATION FOR SMALL HEALTH CARE ORGANISATIONS (SHCO) FOR NEW ONLINE APPLICATION PORTAL OF NABH

For ease of application experience, security and faster turnaround time, NABH is pleased to announce the launch of new online application portal for its SHCO (maximum sanctioned bed strength 50) Accreditation Program. The new online application portal of SHCO will be live w.e.f. August 15, 2023 and the existing (old) application portal will be closed w.e.f. August 14, 2023, midnight. All the applicant and accredited SHCOs are required to follow the following transition plan for shifting to new online application portal:

1. All the new applicant and accredited SHCOs, which are in process of filling up the application form for final and renewal assessments on old portal are required to apply on new application portal.
2. All the new applicant SHCOs and accredited SHCOs, which have completed the application form for final and renewal assessment under old portal but have not received dates for assessments are required to shift to new application portal. The assessment will be assigned on new portal after the SHCO fills and completes the application process on new portal.
3. All the SHCOs, which are due for surveillance assessment but have not received dates for surveillance assessments are required to fill the online application form on new portal.
4. All the accredited SHCOs, which are not due for any assessment in near future, will be notified in due course of time to migrate to new portal which will be over next 3 months.

Co-operation of all is appreciated.

(Dr. Atul Mohan Kochhar)
