Operation Theatre: NABH guidelines for Air Conditioning in Operation Theatres shall be applicable for super specialties.

Scope addition: HCOs can add additional specialties in the scope recommended by applying to NABH-QCI in the prescribed application form. If the original inspection of the Health Care Organization (HCO) was done within two years, NABH-QCI would inspect only for the addition of the scopes (upto 3 new scopes only). A focus inspection fee of Rs. 15,000/- plus applicable taxes (presently GST @18%) per HCO shall be charged for the scope addition. If the inspection was done prior to two years, full inspection of hospital/ centre shall be done. The HCO shall have to apply as a new applicant in this case.

Surprise inspections: NABH-QCI shall conduct the random Surprise inspections of the HCOs. The objective of the surprise inspections shall be to check the continued compliance to the parameters as laid down in the application form. Surprise inspections can also happen in response to adverse media report or based on complaints received at NABH-QCI or directions of CGHS.

*** Note: All the above requirements will be verified during the desktop and onsite inspection.**
